RENEWED PETITION UNDER 37 C.F.R. §1.47(a)

Sir:

This is a third Renewed Petition pursuant to 37 C.F.R. §1.47(a) in response to the Dismissal of Applicant's second Renewed petition filed on May 28, 2002 as set forth in the DECISION ON PETITION UNDER 37 CFR 147(a) mailed on June 11, 2002.

A Petition under 37 CFR 1.47 must be accompanied by: (1) the fee under 37 CFR 1.17(h); (2) proof of pertinent facts, namely that the inventor refuses to sign or cannot be reached after diligent efforts; (3) a statement of the last known address of the inventor; and (4) an oath or declaration by the 37 CFR 1.47(a) applicant on behalf of himself or herself and the nonsigning applicant. The June 11, 2002 Decision stated that Applicants previously satisfied items (1), (3) and (4).

This third Renewed Petition is being made to satisfy item (2), namely to provide proof that one of the three inventors, Annick Colin de Verdière, refuses to sign the 37 CFR 1.47(a) Declaration.

This Renewed Petition is accompanied by the Declaration and Statement of Facts by the undersigned, an attorney for the applicants. The undersigned has first-hand knowledge of the facts recited in his Statement. As detailed in the attached Statement, the undersigned personally sent a complete copy of the application papers, a complete copy of the patent application, and a Declaration form to inventor Annick Colin de Verdière at her last known residence address for her review and signing of the Declaration form. The documents were sent via the courier service, DHL Worldwide Express. A copy of the undersigned's letter to Annick Colin de Verdière (and English translation) along with a copy of the postal receipts evidencing the mailing of the

undersigned's letter, and a copy of the DHL proof of delivery receipt signed by the inventor, Annick Colin de Verdière, accompanies his statement.

Applicants respectfully note that these documents have been sent to inventor Annick Colin de Verdière at the same address three previous times (see papers filed by Applicants on December 6, 2001, February 22, 2002, and May 28, 2002), and she has continuously refused to execute and return the Declaration for filing with the USPTO.

Accordingly, since inventor Annick Colin de Verdière has received a complete copy of the application papers, a complete copy of the patent application, and a Declaration, but has not returned the executed declaration, the undersigned respectfully requests that inventor Annick Colin de Verdière be designated as an inventor who refuses to sign 37 C.F.R. §1.47(a), and to permit acceptance of the Declaration with the signatures of Jamal Tamsamani and Michel Kaczorek on behalf of the inventor who refuses to sign.

Respectfully submitted,
